Dear Mr. Lynch,

I am sending our thanks on behalf of Louis, Matilde, Susan, Jonas, Darien, Denise and many others that now have a place to live in our communities. The sponsorship from Roscom, Inc. is funding new homes, new day programs, and increased in home supports.

We send our gratitude for your support of the "Build Their House... With Your Mouse" virtual benefit. We received this contribution of \$500 on 5/5/2014. No goods or services were provided to you in exchange for this gift. It is tax deductible to the fullest extent allowable by law.

We remain committed to putting our time, energy and resources into making available more beds, homes, day programs, and in home services to persons with disabilities and to seniors who want to live in their own homes in our communities. Additional services to seniors will be launched this summer. Two more group homes will be opening in late fall.

Thank you for your generosity. Stay informed about how your donation is put to work by liking us on Facebook or joining us on Twitter, Pinterest and LinkedIn. Please subscribe to our electronic newsletter by sending your email address to: Info@enablenj.org. You are most welcome to call me at 609-987-5003 if you have any questions or want to learn more about Enable.

Sincerely,
