Dear Nicholas,

Enable's 25th Anniversary Gala raised over \$83,000 to benefit men, women and children supported by Enable. We couldn't have done it without you. Thank you for making the Gala a success. We were proud to have you as a supporter of the event. We wish you could have been there! I thought you might appreciate a copy of the program from the event.

Your contribution of \$500 was received on 4/7/2015. The donation is tax deductible to the fullest extent allowable by law.

The Gala was a wonderful event, featuring links to the past and the future. Guests were greeted with the opportunity to have their photo taken with a DeLorean and a Tesla. The jazz band played hits from yesteryear and today. Entertainment by mentalist Ted St. James kept guests wondering how he could read their minds. And the evening ended with guests writing wishes and predictions for the future for Enable that were placed into a time capsule—for opening at the 50th Anniversary.

Gala Chairperson Virginia Long greeted the crowd. Patrick Burke from Michael Graves Architecture & Design made a fitting tribute to Michael Graves and I announced the Michael Graves Awards that will be given in 2016. The Governor, prominent mayors and legislators sent congratulatory letters and proclamations to Enable which we will proudly display at our headquarters. Photos and information from the event can be found on Twitter, Facebook and Instagram. (Search for Enable, Inc. or go to www.enablenj.org to access.)

We value your involvement with Enable and hope you will continue to work with us. Again, thank you for your contribution which Enable will use to serve those more vulnerable among us.

Very truly yours,

Sharon J.B. Copeland, MSW, LSW
Chief Executive Officer
